Indecent Exposure

CR# 10-5114

Actual suspect looks older than depicted in this composite sketch.

Suspect: W/M, 40's, balding brown hair, "beer belly".

Vehicle: Older model mini-van, square rear end, tan or light in color with a molding strip down the side of the vehicle, possibly black in color.

An indecent exposure occurred in the early morning hours of 7-14-10 in the area of Dundee and Morehead. The suspect drove up to the front of a residence, parked, and turned on the vehicle's dome light. When he gained attention of the victim, he removed his clothing and began to masturbate.

This incident appears to be related to other indecent exposure incidents occurring in western Washtenaw County.
